

PREMIUM FLOOR CLEANER  
AND PROTECTANT

*Don't just clean your floor, nourish it too!*

A oil finished floor needs more than just regular cleaning; it needs to be protected from dirt and other foreign material that can slowly degrade your floor's high-quality finish. Periodic application of DuChâteau® Premium Floor Cleaner & Protectant not only cleans but nurtures the oils in the floor, keeping the wood surface healthy, adequately saturated with oil and performing year after year.

### Product Description

DUCHATEAU Premium Floor Cleaner & Protectant is a safe, environmentally friendly woodcare product for the regular maintenance of oiled wood floors.

### Applications

Oiled wood surfaces of any color.

### Instructions for Use

Shake well before use. Vacuum or sweep prior to cleaning to ensure the floor is dust-free. Mix 1 cap per gallon of lukewarm water. As with all wood finishing floor care products, always test the cleaner in an inconspicuous area first to safeguard against an undesirable outcome. Once confirmed satisfactory, apply the mixed solution with a clean, wrung-out cloth or sponge mop in the direction of the wood grain. Do not rinse the floor after applying the solution.

For more detailed instructions and videos, visit [duchateau.com](http://duchateau.com).

Please note this current Premium Floor Cleaner and Protectant replaces the previous Parquet Cleaner, which is no longer available for purchase. This technical data sheet is merely a guide and not a guarantee.

### Drying Time

Allow 1 hour to dry at room temperature. Do not use any water or other products on the floor during this period.

### Coverage

Diluted solution provides approximately 4000 square feet per container (33.8 fl. oz./1L).

### Storage

Keep container tightly closed and store upright in a cool, well-ventilated, dry place away from heat and direct sunlight. This product will store up to 2 years in original, closed packaging.

### Frequency of Application

Based on foot traffic, it is recommended to clean and nurture the floor at least once a month with DuChâteau Premium Floor Cleaner & Protectant – more, if necessary.

### Declaration of Ingredients (according to EEC recommendation):

Non ionic surfactants <5%.
