

**Sunscreen Application Consent Form
R & E May School 2023-24 School Year**

*Complete and return to Health Services
(518) 453-6739 | smasi@st-cath.org*

Per New York State regulations, sunscreen may only be applied to students by school personnel if the school has **written** permission from the parent or guardian to do so. Sunscreen may be applied by school personnel such as teachers, social workers, and administrators, or by the school nurse.

Sunscreen should be applied to the student's skin prior to coming to school.

I, _____ give permission for _____ to have
sunscreen applied to exposed skin while at school.

Special Instructions:

Parent/Guardian Name

Date

Parent/Guardian Signature
